
AROWGuard Universal Xcelsior Solution
Available for New Flyer Xcelsior buses

Application: Assault and Virus Protection
Fit: Universal Xcelsior design fits around most farebox installations, may require minor adjustments to install
Cost: Dependent on Style (STD or EXT) and volume

Features

• Fixed door slide system that incorporates a sliding two-piece glass system.
• Allows drivers to select a glass position in the same manner as a driver’s window.
• Easy to close and protect the driver.
• Utilizes a time-tested and robust rocker latch.
• Incorporates a hinge design, free of pinch points and rattling.
• Uses AS2 Glass with OptiView anti-glare coating
• Standard and Extended sash options.
• Long-term solution providing both health and safety benefits.

Benefits of NFI Parts Support on Retrofit Projects
